Riber R49

Signet R49 Cell Divider

Signet Part 55-0100 Cell Divider

Signet provides the following R49 cell divider options.

Signet Part #	OEM PN	Description
55-0100		R49 Cell Divider (2 Piece)
54-0100		R49 Cell Divider, Enhanced 1 Piece

Signets part number 55-0100 two piece Cell Divider is offered if easier entry into the chamber area is required (the cell divider can be introduced into the chamber area in two pieces and then assembled into one piece for installation).

A one piece design, part number 54-0100 is offered for applications where easier entry into the chamber is not required. A one piece design is preferred as this adds to the structural strength of the cell divider.

Signet Products Inc. supplies parts that replace OEM consumable parts. Whenever possible, they are engineered to improve performance and or extend service life. A "Ref." following an OEM part number indicates our part is an improved design related to this OEM part.

Ref. = Design Alteration of OEM Part
