

*Quality and Value
Through Engineering*

Signet can rebuild your old Nude Ion Gauge Tube for you. Our rebuild service includes chemical decontamination of your old base unit. We will then mount a new filament and grid assembly on your old conflat® flange.

**Signet Part Number 70-1069
Replacement Grid Assembly**

**Applied Material PARTS
Endura® 5500 PVD System**

Signet Products Rebuilt Nude Ion Gauge Tubes

Signet Part Number 70-1081R Rebuilt Nude Ion Gauge tube

In addition to the complete Nude ion gauge tube above Signet can also replace both the filament assembly and the grid assembly on your old conflat® flange. We can replace them with thoria-coated iridium or pure tungsten filaments.

Signet Part #	OEM Part #	Description
