## Signet Filament

### 72-86735 Filament, IRC, 9500

Signet Products now has a filament for the Applied materials 9500 Series. Signet Product's filaments are excellent replacements for OEM filaments providing both good life and economic value.

Signet Part #	OEM Part #	Description
72-86735	0020-86735 Rev A	Filament, IRC, 9500

Signet can also supply filament clamps and associated parts for this filament, both OEM design and Signet Products Inc. enhancements.

Ref. = Design Alteration of OEM Part
